MEMORANDUM

BY  CLERK U.S. DISTRICT COURT  
DISTRICT OF MARYLAND DEPUTY

Appellee's Motion to Dismiss has been read and considered. There would appear to be no question that, the Fourth Circuit having refused to stay the debtor's imminent eviction from the leased premises, this appeal has been rendered moot by virtue of the debtor's relinquishment of possession in lieu of eviction. Accordingly, the motion to dismiss shall be granted by separate order issued herewith.
